Joseph M. Rubino Testimonials as an Expert and as an Industry Consultant

"Mr. Rubino is the finest expert I have worked with in 33 years of practicing law. I have never seen an expert handle an attorney's questions with such dexterity. I was literally stunned watching his deposition. A very experienced opposing counsel was completely overmatched. When the deposition was over, I thought "I definitely found the right guy." **Brad Parker, Parker & McConkie, Salt Lake City, Utah.**

"Joe's expertise in the for-hire transportation industry is unparalleled. His opinions are well reasoned and difficult to challenge. Joe's expert analysis will help the litigator develop a solid discovery and litigation plan and, ultimately, bring the case to resolution. Joe is a true professional at a reasonable fee, easy to communicate with, and his work product is of highest caliber." **Bradley A. Springer, Holt Mynatt Martinez, Las Cruces, NM**

"Joe, your observations were very eye opening and changed the trajectory of our common carrier focus towards the higher duty of care owed by a private contract transportation provider. The defense was made aware of your conclusions at mediation and it helped immeasurably in facilitating a satisfactory settlement of the case. I appreciate your work on the case and look forward to an opportunity to work with you again in the future." **Jeffery B. Kaiser, Kaiser P.C., Attorneys at Law, Houston, Texas**

"Joe, it was an absolute pleasure to work with you. You are exactly what I look for in an expert, knowledgeable and yet able to explain things to me and others in a simple and understandable way. You were willing to work in the context of our case and our locale's legal requirements. You were a huge help in getting the case resolved in our favor. **Michael J. Harris, Crowe and Mulvey, LLP, Boston, MA**

"I had the pleasure of working with Joe Rubino on a difficult liability case against a bus transport company in Orlando, Florida. Joe's expertise was invaluable in crystallizing the issues and theories of liability. The case was resolved in mediation, in large part, due to Joe's involvement and willingness to participate in trial, if necessary. I recommend his services unequivocally and without hesitation." **Scott W. Leeds, The Cochran Firm**

"I retained Joe in a case where an intoxicated cab driver caused a fatal accident. Joe was instrumental in helping defend the negligent entrustment and negligent hiring claims against my client. He prepared a compelling expert report and provided valuable insight on how to cross-examine plaintiff's expert." **David J. Kellerman, Louisville, KY Attorney**

"It was a great pleasure working with you and I am glad we had the opportunity to do so. Your expert analysis was extremely important in helping us achieve a favorable outcome and we are grateful for your assistance. " **Sheryl M. Bourbeau, Gallagher & Cavanaugh, LLP, Lowell, MA**

"Joe, It was a real pleasure working with you on this case. Your input and advice was invaluable. I do not think it was a coincidence that the case was settled shortly after receiving your report. I would definitely recommend you to other attorneys and I hope we can work together again in the near future." **Robert B. Abel, Jr., San Francisco, CA**

"Mr. Rubino was extremely Knowledgeable, thorough and professional. He is clearly the premier expert in the field of nonemergency medical transport. I would highly recommend him to anyone with a case in this area." **Donald C. Ligorio, Hourigan, Kluger & Quinn P.C., Kingston, PA**

"Joe, Just wanted to let you know this case settled in mediation today. Your expert report was instrumental while negotiating and it was a pleasure working with you. Looking forward to the next one we can work on together." **Ashley C. Pollan, Esq., Amanda Demanda Law Group, Miami, FL**

"Joe Rubino is an excellent expert. I really appreciated his no-nonsense approach and the fact that he knows his area of expertise better than anyone I have ever seen. I would be glad to work with him again in the future." **Steve Groves, Groves Powers, LLC, St. Louis, MO**

"Mr. Rubino was wonderful to work with. We knew we had the right expert when opposing counsel attempted to contact him after we had just retained him. Joe can find case issues you may not even know exist. Our attorney was "very pleased." We look forward to engaging him in the future." **Parks PI Legal Nurse Consulting - Las Vegas, NV**

"Mr. Rubino- Our case was very difficult as not only did the police originally find our client at fault but, to make matters worse, our firm was not hired until two years after the accident. However, with your assistance, we were able to convince the other side to settle in our client's favor. Our success at mediation could not have been realized without your assistance. On behalf of our client and her family, we thank you." **David Craig, Craig, Kelly, & Faultless, Indianapolis**

"Our case very favorably resolved at mediation last week due in no small part to Joe's excellent work on it. If we need a transportation expert again he's at the top of our list. **Paul Schor, Gallagher & Cavanaugh LLP, Lowell, MA**

"We can't thank Joe enough. My co-counsel and I thought we had a pretty good handle on the issues of the case, until Joe explained a few points we had missed. We used this new angle to hammer the other side. At his deposition, he was thrown every curve ball imaginable by a very well-qualified defense attorney, and he hit every one out of the park. He's a charismatic witness and has instant jury appeal, which you can gather just by talking to him on the phone." **Daniel Libbey, Libbey Law, Anchorage, AK**

"Joe's knowledge and expertise in passenger transportation is outstanding. His demeanor under cross examination by aggressive opposing counsel was professional, thoughtful and enthusiastic. He was cooperative and easy to work with." **Richard Fanyo, Dufford & Brown, Denver, CO**

"When Joe provided his initial review of our case, I thought 'this man really knows his onions.' His knowledge of the nuances of the transportation industry was very helpful to our case. We wholeheartedly recommend Mr. Rubino as an expert witness." **Joseph Nogay, Sellitti, Nogay, & McCune, Weirton, WV**

"We found Joe through another attorney who had used him to obtain a multi-million dollar verdict. The defendants weren't budging until Joe showed up. He put together facts that were staring us right in the face but that we weren't using. If your case involves for-hire transit, hire Joe before the other side does." **Les Syren, Syren Law, Anchorage, AK**

"Joe's credentials in the non-emergency transport industry speak volumes, and counsel respects and appreciates his opinions. Joe is quick to find facts and evidence in cases that will add pressure points to the opposing side, and he has a knack for presenting this information in a persuasive way. Joe is a pleasure to work with; he is helpful in all phases of the case. Our clients were extremely pleased with the settlement. His efforts and help along the way gave us the firepower we needed to put even more pressure on the Defendants to pay more for the settlement. Our settlement value more than doubled thanks in part to Joe's efforts and developments in the case over the past year." **Briant G. Mildenhall, Katz Stepp Wright & Fleming, Atlanta, GA**

"I would like to thank Mr. Rubino for his assistance on our case involving a transit bus. Our case had an unusual fact pattern and Joe was very helpful in clarifying the carrier's responsibilities. I would certainly feel comfortable using him on any future cases involving passenger transportation." **Matthew Sakkas, Sakkas, Cahn, & Weiss, LLP**

"Joe, your prediction came true, as our case settled to our client's satisfaction shortly after your deposition. You did a great job, and I got along with you fantastically. Thanks again!" **Patrick E. Mahoney, Mahoney Law, Boise, Idaho**

"Thank you, Joe, for your assistance. Your insight and evaluation was very helpful. I look forward to working with you in the future." **William P. Campbell, Elk & Elk, Mayfield Heights, Ohio**

"Joe Rubino is the King Solomon of the for-hire industry. After 52 years in this industry, I'm always amazed by his wisdom, knowledge and how clearly he communicates his messages." **Allen Weatherilt, United Taxi, Clearwater, FL.**

"Mr. Rubino, your presentation was excellent, very informative and I learned a lot from the great ideas that you mentioned. I would encourage all transportation authorities to see your presentation, and also to let you help to train their drivers. You really do a good job!" **Burhan Al-Shaikh, Charlotte, NC., Director of For-Hire Vehicle Transportation**

"As a consultant, I've had the pleasure of working with Mr. Rubino on a number of occasions. His knowledge and dedication to the ground transportation industry is most impressive and he is able to convey that real world knowledge in a thoughtful and easy to understand manner." **Ken Hosen, Principal, KFH Group, Bethesda, MD.**

"Your presentation captured and held the attention of drivers, management, social services and the rest of us in the industry. I would encourage any municipality to solicit your talents." **Terri Joelle Chambers, For-Hire Vehicle Department, Charlotte, NC**

"Your expertise and insights made a significant impact on the success of our event. Your presentation on Enhanced Mobility Funds was not only informative but also engaging, leaving our attendees with a deeper understanding of the opportunities in the transportation industry." **Abena Bonso-Bruce, Executive Director, The Transportation Alliance**
